EXICAN PROPAGANDIST

thor of Pro-Carranza Literature at Sea When Asked Basis for Allegations.

ARGES INTERVENTION PLOT

J. Debekker, Testifying Before Senate Investigators, Declares He Believes President Knows Who Is Behind Alleged Conspiracy.

WASHINGTON, Sept. 15.—Statements such by the League of Free Nations' isociation to counteract what the orinization has charged to be a plot force intervention in Mexico, were regely based on information received om George F. Weeks, publisher of a Mexican Review, a Carranza organ, J. Debekker today told the Senate oreign Relations subcommittee instigating the X-xican situation.

Debekker is a member of the league's minitee on Mexico, and previous witses had testined he was the author most of the literature sent out by a league for publication. IBy Associated Press I

andegee, of the subcommittee. The time cross-examination brought out at Debekker based his charges of an ganized movement to force intervension "on newspaper reports," but furer questioning as to the newspaper ports brought the statement that me were at hand, but that he would ubscribe to a climing bureau" and scribe to a clipping bureau" and the "evidence" desired. I the "evidence" desired. Debekker defended the Carranza gov-nment in his testimony, and said at he believed Carranza was giving exten a better government than the sited States could. He also asserted at worse things had happened in a United States than had occurred Mexico.

Mexico. Later cross-examination brought information om him that outside of information Washingte on him that outside of information Wytheville Mexican conditions was obtained last ring during a six weeks' visit, four seks of which were spent in Mexico Sun rises U., and the other two in travelling Sun sets. out the country as the guest of Presient Carranza and accompanied by
inister of Finance Cabrera.

Members of the subcommittee and
we witness clashed time after time
atring the hearing. At last Debekker,
tising his voice, declared: "I believe
here is a piot against Mexico. I beeve that the President of the United

oliment at Virginia Mechanics' Institute Last Night Sets New Record for School.

The initial enrolling night of stuents who will attend the Virginia lechanics' Institute the current session opened auspiciously last night with more enrollments than were ever ecorded in one single night, according to Superintendent H. L. Davidson, the institution.

The exact figures could not be ascerained, but for several hours while egistration was in progress there cas a steady stream of young men polying for admission to the school. In previous years there has been isually a majority of boys in knicker-ockers, but last night practically very prospective student was of colsege age.

Not only the superintendent, but very member of the faculty, was busy ast night when the swarm of young nen formed in line. Last year only he superintendent gave his attention or registration. Mr. Davidson said.
